Hotel Amenities you will enjoy.

Our Hotel is right on the shore of beautiful Lake of the Ozarks with balconies in most rooms overlooking the cove below! The hotel has its own boat docks and boat launch area. Just below the hotel on the hillside (and just above the boat docks) is a special patio bar area with outdoor tables and chairs and a private swimming pool overlooking the cove. We plan on having "Spridget" transportation from the boat launch area along the pathway to the patio bar!

The *Inn at Grand Glaize* is a pet friendly establishment for all of you folks who are inseparable from your "fur kids". It also offers a first class restaurant with a world class chef. There is a bar/lounge area and balcony next to the restaurant and main lobby which overlooks the Lake and cove below. We will have the bar well stocked with some world class

special brews for you beer connoisseurs! The hotel offers concierge service throughout the Lake of the Ozarks area as well as free wireless internet in all rooms. There is a giant hot tub and sauna facilities. Boats and wave runners are available for rent and the fishing is terrific!
